Pre-Combo Class: Combines Ballet with Tumbling, Jazz, Hip Hop or Tap (please check class schedule). Students will learn the elementary foundations of these techniques in a fun and creative class, designed especially for the 3-4yr old age group.

Ballet: Foundation of dance. Proper body alignment, placement, grace, musicality, classical technique and Ballet vocabulary will be developed.

Tap: Combines dance movement with rhythmic sounds created by the feet. Students use music, timing and quality to manipulate these sounds. Various styles of Tap, as well as vocabulary, are taught.

Jazz: Students learn technique and combinations, as well as the body isolations associated with this form of dance. They will also develop a strong sense of rhythm and dance style.

Contemporary: A style of expressive dance that combines elements of several dance genres including modern, jazz, lyrical and classical ballet.

Lyrical: Derived from ballet as a dance technique utilizing the lyrics or mood of the music, Lyrical inspires movement and expression. Ballet class is recommended for lyrical students.

Pointe: For the more advanced ballet student; must be enrolled in Ballet Level V-VI. Pre-Pointe classes also available for introduction to Pointe. *Requires teacher approval.

Hip Hop: Consists of a fusion of dance styles you see today in pop music videos – jazz, funk and hip-hop. This is a high-energy class, so be prepared to sweat, have fun and get funky!

Acro/Tumbling: Fundamental acrobatic and tumbling moves that are performed on gym mats. Sample moves include front & back rolls, headstands, backbends, cartwheels, walkovers, back handsprings, etc. Class format will focus on building core strength and flexibility while acquiring valuable skills that can be easily transferred to dance routines.

ZUMBA FITNESS: Get ready to party yourself into shape! This exhilarating, easy-to-follow, Latin-inspired, calorie-burning dance fitness-party™ will move YOU!
